I got my sixth tattoo a few weeks ago. I liked it and wanted to thank my tat artist with some extra appreciation. So, I booked an appointment for my seventh tat and told him I wanted it in a private spot and for him to do it after hours. I asked him to shower before I came over.

A blonde woman with large breasts and thick thighs is posing on a shiny, reflective floor. She is wearing a bright green thong and a black high-heeled shoe. She is looking over her shoulder at the camera with a slight smile. The background features ornate, gold-colored furniture and a striped curtain.

“Come find me, lover.” That’s what I used to say to the guys in the office. I used to fuck six of the eight I worked with. I tried to keep it quiet but, you know, guys talk. That’s when one came to me and asked if I do it with him and his friend in the next cubicle. “Of course!” I said, and did. Then we stayed after work, and when it got dark, we did it again.

second floor room SIX

For the last several years I've finally been able to find some time to work on my latest passion. I've been researching something for a book I'm working on. I'd tell you what it is, only it's somewhat arcane, pardon the term. What I will tell you about, though, is the newest research librarian. We'll call her Geena because, although it's not her real name, I wouldn't want to identify her. I mean, who knows, you might use the same library some time and right now it's me she's fucking. You understand, don't you?

I'd been going to the library, a massive place on Maple Avenue, for about six months. During that time, Sheila was the librarian, about 40, with a face that would smash a fucking mirror. Then two weeks ago, she was replaced by Geena. She is quite tall, with mousy brown hair that almost reached to her butt and she's usually got it tied into a ponytail. She wears glasses, has big blue eyes and a very nice body from what I could

tell. She too is around 40, so while she's mature, she's sort of smoldering beneath those thick framed glasses.

I showed her my library card and she smiled, fuck, she's beautiful when she smiles. "Ah yes, my predecessor told me about you, Mr. Bookman," she said, in a posh voice. "I know what you'll be needing, so please go into research room six. You know where that is, right?"

"Yes, I do, thank you," I said. Mr. Bookman is the name I use in the library. My card has my real name on it, but I was given that by Sheila back then and I kinda like it. Now Geena is using it and it sound so sexy coming out of her mouth. The research rooms up on the second floor are private, so real researchers, rather than time wasters, can get some privacy while they study. I entered the room, put my black leather jacket on the chair and waited. Within a few minutes, she

I think my reputation preceded me at the library. I just met Geena and she was ready to help me with my latest project.

For me, I made her my latest project.

B04-BLAIR

knocked and walked in and placed those cryptic volumes on the desk, and smiled at me again. "I'm on extension 62 if you need me." she said, and this time her smile wasn't to be mistaken. I know she was telling me she wanted me.

I'm tall dark with the swarthy complexion and pretty well-built with big muscles,

*Room six

needed.

nut table in
the middle
of the room.*

because I work out boxing at the gym three to four times a week. I'm also 40ish. I sat down, I always stand when the woman enters the room because they like that kind of stuff, and pulled the first volume towards me. As soon as I did, I noticed a little bookmark sticking out of the top. Well I thought it was a bookmark, only it wasn't. It was a sheer, see-through little black thong! I pulled it to my face and sniffed at it. It smelled that wonderful fragrance of a woman's pussy. Not strong but unmistakable. And attached to it with a tiny safety pin was a little note, in perfect female

handwriting... 'Ext. 62, when you need me.'

I pondered, should I wait for a few minutes, or call her immediately? Fuck it, I picked up the phone and tapped 'six-two. A sultry voice came on "Hello this is Geena. How may I help you?"

"This is Jack Bookman," I told her "I'm in research room six. Would you please come up when you have a moment?"

She gave a little girlish giggle. "Oh, you got my note? Let's see I'm on a coffee break in 15 minutes. Would that be okay?"

I told her, "Sure. How long have we got?"

Another little girlish giggle. "Oh, about 20 minutes, will that do?"

"Thank you, that would be just fine," I said. Then I remembered her thong. "I've got an item of yours in my jacket pocket," I told her. "You want it back?"

Geena giggled again. "No, thank you. Mr. Bookman. There's plenty more where that came from." And she hung up. The 15 minutes passed like 15 hours, but finally there was a knock on the door. I opened it and she stepped into the room, but not before she hung an appropriate hotel-like 'Do not disturb' sign on the doorknob.

Then she reached for her ponytail, pulled the clip, or whatever it's called, from her hair and shook her head. I pulled her into my arms, kissed her firmly on her mouth and removed her glasses, which I put on the desk next to the volume I had been working on.

Geena was beautiful. I told her so, then kissed her again. While we were kissing, I pulled up her skirt to around her knees and put my fingers between her thighs. They parted slightly

and they continued up until they reached her panties, wet panties. She was as wet as anything and my finger slithered around the slippery cloth. While I was doing that, she unzipped my fly and her hand stroked my erection which burst out of my pants. It wasn't a huge erection, as erections go, but she must have liked it because the next thing I knew she was on her knees and her mouth encircled my helmet. For a librarian she was a superb cocksucker.

Now I have a confession — I checked my watch. She had been in the room two or three minutes, tops, but I didn't want it all spent on cock-sucking, so I reached for her long hair and pulled her gently up to my face, turned her around and planted her butt on the edge of the large table I was working at.

She sat, and I grabbed her legs and pulled her ankles up so they were resting on my shoulders, and then I pushed my cock head against her semi-shaved pussy, sliding it down to her slit. Geena gave a little shudder, a shudder that was thrilling, and then I was driving deeper into her, my cock enveloped by her glorious pussy. Shoot, she was tight!

Her arms reached up for my shoulders and she kissed me hard. "That's so nice Mr. Bookman, don't stop," she purred. As if I had any intention to stop! No, just the opposite. I was going to go hard and deep for the rest of my time with her. Then she took her hands from around my neck and grabbed my hips pulling me deeper into her as he muffled out a long, low climax, tightening her pussy muscles around my pistoning cock.

Then I started to build to my climax and

soon I was spurting hot wads of Bookman jizz into her. I held myself in her for

a moment until I felt her gently push my hips away, indicating I should pull it out. My cock slipped out of her, and she kissed me again. She pulled down her shirt, grabbed her hair and in a few seconds she was ponytailed again.

"My lunch break is at noon, Mr. Bookman," she said as she reached for her glasses. "I thought you might like to take me to lunch?"

I realized I had not felt her breasts, so I pressed my palms against them, firm, not big but firm. "Sure," I said. "And after work?"

"I've got nothing planned," she said.

I kissed her as I adjusted myself and pushed my cock back into my pants. "Don't worry," I told her, "I have!"

I've renewed my library card through 2050. That means I'll be fucking Geena until I'm well into my eighties.

A full-page photograph of a woman with long brown hair and bangs, wearing a pink string bikini and a long, flowing kimono with a large floral pattern. She is posing in a room with a large red armchair on the left and a Japanese-style painting on the wall behind her. The word "Max" is written in a stylized red font with a white outline on the left side of the image.

Max

I tried to walk away, many times, I tried to make a new start, but my sexual urges were much too great. I needed to fuck, I needed a cock in my mouth, I needed one in my pussy. So I'm back at it and don't regret it. I need physical contact and I need a lot of it. If I didn't have a guy right now, believe me, I'd be all over you.

For me, moaning and groaning is involuntary. When you're fucking, and things are feeling good, moaning is another way of expressing my sexual emotions. When I'm groaning during oral sex, for example, it not only says what you're doing is feeling good and you gotta stay with it, but it will tell you when I'm about to cum so you can take me over the edge.

Kitty

A fiery redhead is just the thing that we can't get enough of. Kitty started by talking about what it took to get her all fired up. She tells us how she loves to have her pussy played with and was happy to show us firsthand. After that got out of the way, we brought out the cock and she demonstrated her blowjob skills! Kitty could not help but play with her perky tits as she sucked a big cock. Then we watched some more as her pussy swallowed it also.

MILF

The adult business goes mainstream again with the MILF. But who is she, really? Society needs to know!

What is this mysterious creature called the “MILF”?

Yes, we all know what the acronym means – Mom I’d Like to Fuck” – but how do you spot one? How do you know that she will actually return the fuck? Does she have to be an actual ‘mother’ who’s had or has kids? Is there an ideal age for the MILF hunter to seek? All are good questions and there are several different descriptions, so let’s break it down a bit and see if we can learn something more about them.

First of all, spotting MILFs is not that difficult. They are all around, supermarkets, shopping malls, the airport, or even in the right in the car next to you.

“I have no problem spotting a MILF,” says Tommy D. from Cleveland. “What I do is look at every woman I am attracted to and then begin to eliminate them one by one until I get down to the final two or three. I’m usually in a mall when I do this so I can follow them around and see if there are any other signals.”

What kind of signals do you look for Tommy?

“That’s tough question. I like to sit at a well located bench at the mall with my iPad and just watch. It’s kind of an intuitive thing. I like them in their mid-thirties. Nicely dressed and looking frazzled by shopping. She may be carrying too many shopping bags or with a girlfriend. I stay away from a mom with kids. Her focus is elsewhere and it needs to be on me when I approach.”

BLAIR-NTS-00

How do you get their attention? What do you say when you do?

“First of all, I dress nice and am sure to smell good. They need to remember me by smell, too. Really important. But I have to get close enough for them to smell me. For instance if one is window shopping, I will come up next to her and point something out in the display and ask her a question. Women like to be helpful. Sometimes I’ll intentionally bump into her because I’m looking at my cell phone or iPad. But you have to apologize quickly because people do not like it when you bump into them looking at a phone. It’s a fine line but practice makes you better at it. I’ve even picked up a fine MILF at the food court one time.”

How do you ‘close the deal’?

“Ah, that’s the \$64,000 question. I’m cool and I’m smooth. Believe it or not, I practice in the mirror or with a friend willing to help me. It helps if that friend is female!. Facial expressions are important. The look, the smile, the nod of the head. I dress nice. Not ostentatiously but simple and clean. My shoes are polished, my fingernails are trimmed and polished. Every button is buttoned. Only my hair is just slightly disheveled. It’s

important to know women. If you get their attention, you know they’re going to check you out. They don’t want to think that if they’re going to talk to you or spend some time with you that they’re getting a ‘loser.’ They want something better than what they’ll be leaving. I think they want a man that they can take care of and can take care of them, too.”

And when you get them alone?

“Well, I do what every hot-blooded man would do. I try to seduce them. They are going to be work, all their guards will be up. No bed on the first date. If you want that, go to a bar. The chick will be drunk, and if you get her home, she’ll probably pass out after a few minutes. That’s not for me. I may strike out 90% of the time, but man, those 10% are the wildest sexiest most passionate women I have ever fucked. If they’re willing to give it up, they’ll fuck your brains out!”

Lacey, you’re what most guys would consider a MILF. Have you ever been called or hustled as one?

“I have to admit that I have, and more often than I imagined. Ever since this MILF thing has flourished, I get hit on at least once a week. Sometimes it’s just something I overhear, intentionally or not. Sometimes it’s more direct from guys who think they can get with me. I’m a floor nurse at a major hospital in Atlanta and I see all types. Even the patients will hit on me. But visitors and medical product reps are the worst. For visitors, they have hours to spend with their friends or family in the hospital room so they’re looking for something to break up their visit, and that’s usually hitting on me. But the med reps are the worst. The men will lean over my desk and get in my face about going out. Their cologne is usually too strong, as is their come-on.”

Have you ever done anything about it?

“Hell no. Most of what I just said, is a turn off, not a turn on. Just because I’m in a closed space, they think it’s like shooting ducks in a pond. Throw enough bullshit

MILF

at me and I'll swoon in your arms. I think not! But even when I'm not working at the hospital, I get hit on. I'm attractive and I dress nice, but I don't wear my wedding ring (long story). I think that's more of a magnet for men than wearing one. But okay, I do admit that I did hook up one or twice with guys that hustled me, but not at the hospital. One was on an airline flight where I was sitting next to this handsome 50-something, and we hit it off during the flight. We were headed to Vegas to different conventions and spent just one night together. You may think that was just a pick-up, but during some of our conversation we talked about MILFs, so I count that. The second time was with a man who I met at intermission at a play. I went with my GF and this guy came over and just started talking to us. Turns out his seat was a little behind and to the right of us and he said he missed most of the play because he was looking at me. Would I have a drink with him and tell him what happened. Good line I thought and we went out."

So, how was the sex. We've heard that MILFs are the most passionate lovers.

"Do I really have to tell you? Okay, but you won't use my real name. Promise? Okay then, The sex in Vegas was fantastic. I'm 32 and have never been with a man 20 years older, but he was a great lover. Married unfortunately, but at the time it didn't matter. He has a pretty big cock and it was rock hard all night. He admitted to taking a boner pill, but it didn't matter. It was like sucking a steel rod. We went at it all night. Being in Vegas really helped because we both know it would be one time and no one would know about it. I let loose with all abandon, except when he wanted to put it in my butt. I wasn't ready for that. The other guy from the play was okay, but nothing to write home about. I dropped my GF, then he and I went to this hotel bar and then a room upstairs. He was drunker than me and while he was

handsome, he was a limp and stupid drunk. I left after trying to give him a bj that never finished. Yuck!"

Do you think you'll hook up with either one again?

"Well, I did get a call from the gentleman in Las Vegas, but I politely refused. I want to keep that memory as it is. But I'll admit, I'm eyeing our new neighbor. He's young professional that's just moved in. I'll give him a chance to settle in before I prance around the back yard, or fake a flat tire and ask for his help."

We'd like to thank both of our interviewees for their insight into the mystery that is the MILF!

My ass woke me up this morning saying it was really horny. Then my pussy chimed in saying my ass was not the only thing. I made them stop squabbling about who's getting it first, when my mouth said that I had a couple of chunky hunks coming by the house later. You can tell them that yourselves.

Welcome to my birthday party! Actually it was yesterday. Today I get my birthday present, Keni. He flew in all the way from NYC just to be with me today. We were lovers for many years before he had to move for his job. I missed him and it took no time for us to get naked. And by the time he dropped his bags on the floor, I had his zipper down and his cock in my mouth.
